LA GIOCONDA MIDITERRA EXTRA VIRGIN OLIVE OIL

It exhibits an excellent medium fruity scent. It's characterized by its prominent notes of green leaves, green tomatoes, fig leaves and a subtle hint of green banana. When tasted, besides a medium fruity flavor, it has a balanced spiciness and bitterness, with a touch of banana peel, green leaves and stems. It's harmonious, lingering and balanced; with a very pleasant mild hint of nuts. It's a greenish-yellow olive oil with a distinct character which defines its premium quality.

Our two Extra Virgin Olive Oils won the prestigious **OLIVINUS** award in 2023, a leading international competition for Extra Virgin Olive Oils. **OLIVINUS** is recognized as the second most important EVOO contest globally and is the largest and oldest event of its kind in South America, Central America, and the Caribbean.
